1985—Par. (1)(A). Pub. L. 99–145 substituted “spouse” for “wife”.

EFFECTIVE DATE OF 1997 AMENDMENT

Amendment by Pub. L. 105–85 effective Jan. 1, 1998, see section 603(e) of Pub. L. 105–85, set out as a note under section 5561 of Title 5, Government Organization and Employees.

§ 552. Pay and allowances; continuance while in a missing status; limitations

(a) A member of a uniformed service who is on active duty or performing inactive-duty training, and who is in a missing status, is—

(1) for the period he is in that status, entitled to receive or have credited to his account the same pay and allowances, as defined in this chapter, to which he was entitled at the beginning of that period or may thereafter become entitled; and

(2) for the period, not to exceed one year, required for his hospitalization and rehabilitation after termination of that status, under regulations prescribed by the Secretaries concerned, with respect to incentive pay, considered to have satisfied the requirements of section 301 of this title so as to entitle him to a continuance of that pay.

However, a member who is performing full-time training duty or other full-time duty without pay, or inactive-duty training with or without pay, is entitled to the pay and allowances to which he would have been entitled if he had been on active duty with pay. Notwithstanding section 1523 of title 10 or any other provision of law, the promotion of a member while he is in a missing status is fully effective for all purposes.

(b) The expiration of a member’s term of service while he is in a missing status does not end his entitlement to pay and allowances under subsection (a). Notwithstanding the death of a member while in a missing status, entitlement to pay and allowances under subsection (a) ends on the date—

(1) the Secretary concerned receives evidence that the member is dead; or

(2) that his death is prescribed or determined under section 555 of this title or under chapter 76 of title 10.

(c) A member is not entitled to pay and allowances under subsection (a) for a period during which he is officially determined to be absent from his post of duty without authority, and he is indebted to the United States for payments from amounts credited to his account for that period.

(d) A member who is performing full-time training duty or inactive-duty training is entitled to the benefits of this section only when he is officially determined to be in a missing status that results from the performance of duties prescribed by competent authority.

(e) A member in a missing status who is continued in that status under section 555 of this title or under chapter 76 of title 10 is entitled to be credited with pay and allowances under subsection (a).

(Added Pub. L. 89–554, §5(b), Sept. 6, 1966, 80 Stat. 625; amended Pub. L. 92–169, §1, Nov. 24, 1971, 85 Stat. 489; Pub. L. 92–482, Oct. 12, 1972, 86 Stat. 796; Pub. That date is—

- (A) the day after the day on which the 12-month period in a missing status ends; or
- (B) if the missing status has been continued under subsection (a), the day determined by the Secretary concerned, or his designee.

(c) For the sole purpose of determining status under this section, a dependent of a member on active duty is treated as if he were a member. § 556. Secretarial determinations

(a) The Secretary concerned, or his designee, may make any determination necessary to administer this chapter and, when so made, it is conclusive as to—

(1) death or finding of death;

(2) the fact of dependency under this chapter;

(3) the fact of dependency for the purpose of paying six months’ death gratuities authorized by law;

(4) the fact of dependency under any other law authorizing the payment of pay, allowances, or other emoluments to enlisted members of the armed forces, when the payments are contingent on dependency;

(5) any other status covered by this chapter;

(6) an essential date, including one on which evidence or information is received by the Secretary concerned; and

(7) whether information received concerning a member of a uniformed service is to be construed and acted on as an official report of death.

Paragraphs (1), (5), (6), and (7) only apply with respect to a case to which section 555 of this title applies.

(b) When the Secretary concerned, in a case to which section 555 of this title applies, receives information that he considers establishes conclusively the death of a member of a uniformed service, he shall, notwithstanding any earlier action relating to death or other status of the member, act on it as an official report of death. After the end of the 12-month period in a missing status prescribed by section 555 of this title, the Secretary concerned, or his designee, shall, when he considers that the information received, or a lapse of time without information, establishes a reasonable presumption that a member in a missing status is dead, make a finding of death.

(c) The Secretary concerned, or his designee, may determine the entitlement of a member to pay and allowances under this chapter, including credits and charges in his account, and that determination is conclusive. An account may not be charged or debited with an amount that a member captured, beleaguered, or besieged by a hostile force may receive or be entitled to receive from, or have placed to his credit by, the hostile force as pay, allowances, or other compensation.

(d) The Secretary concerned, or his designee, may, when warranted by the circumstances, reconsider a determination made under this chapter, and change or modify it.

(e) When the account of a member has been charged or debited with an allotment paid under this chapter, the amount so charged or debited shall be recredited to the account of the member if the Secretary concerned, or his designee, determines that the payment was induced by fraud or misrepresentation to which the member was not a party.

(f) Except an allotment for an unearned insurance premium, an allotment paid from pay and allowances of a member for the period he is entitled to pay and allowances under section 552 of this title may not be collected from the allottee as an overpayment when it was caused by delay in receiving evidence of death. An allotment payment for a period after the end of entitlement to pay and allowances under this chapter, or otherwise, which was caused by delay in receiving evidence of death, may not be collected from the allottee or charged against the pay of the deceased member.

(g) The Secretary concerned, or his designee, may waive the recovery of an erroneous payment or overpayment of an allotment to a dependent if he considers recovery is against equity and good conscience.

(h) For the sole purpose of determining pay under this section, a dependent of a member of a uniformed service on active duty is treated as if he were a member. Any determination made by the Secretary concerned, or his designee, under this section in a case to which section 555 of this title applies is conclusive on all other departments and agencies of the United States. This subsection does not entitle a dependent to pay, allowances, or other compensation to which he is not otherwise entitled.

(1) The term "captive status" means a missing status of a member of the uniformed services which, as determined by the President, arises because of a hostile action and is a result of membership in the uniformed services,

but does not include a period of captivity of a member as a prisoner of war if Congress provides to such member, in an Act enacted after August 27, 1986, monetary payment in respect of such period of captivity.

(2) The term “former captive” means a person who, as a member of the uniformed services, was held in a captive status.

(b)(1) The Secretary of the Treasury shall establish a savings fund to which the Secretary concerned may allot all or any portion of the pay and allowances of any member of the uniformed services who is in a captive status to the extent that such pay and allowances are not subject to an allotment under section 553 of this title or any other provision of law.

(2) Amounts so allotted shall bear interest at a rate which, for any calendar quarter, shall be equal to the average rate paid on United States Treasury bills with three-month maturities issued during the preceding calendar quarter. Such interest shall be computed quarterly.

(3) Amounts in the savings fund credited to a member shall be considered as pay and allowances for purposes of section 553(c) of this title and shall otherwise be subject to withdrawal under procedures which the Secretary of the Treasury shall establish.

(4) Any interest accruing under this subsection on—

(A) any amount for which a member is indebted to the United States under section 552(c) of this title shall be deemed to be part of the amount due under such section; and

(B) any amount referred to in section 556(f) of this title shall be deemed to be part of such amount for purposes of such section.

(5) An allotment under this subsection may be made without regard to section 553(c) of this title.

(c)(1) Except as provided in paragraph (3), the President shall make a cash payment to any person who is a former captive. Such payment shall be made before the end of the one-year period beginning on the date on which the captive status of such person terminates.

(2) Except as provided in section 802 of the Victims of Terrorism Compensation Act (5 U.S.C. 5569 note), the amount of such payment shall be determined by the President under the provisions of section 5569(d)(2) of title 5.

(3)(A) The President—

(i) may defer such payment in the case of any former captive who during such one-year period is charged with an offense described in clause (ii), until final disposition of such charge; and

(ii) may deny such payment in the case of any former captive who is convicted of a captivity-related offense—

(I) referred to in subsection (b) or (c) of section 8312 of title 5; or

(II) under chapter 47 of title 10 (the Uniform Code of Military Justice) that is punishable by dishonorable discharge, dismissal, or confinement for one year or more.

(ii) related to the captive status of the person.

(4) A payment under this subsection is in addition to any other amount provided by law.

(5) Any amount due a person under this subsection shall, after the death of such person, be deemed to be pay and allowances for the purposes of this chapter.

(6) Any payment made under paragraph (1) that is later denied under paragraph (3)(A)(ii) is a claim of the United States Government for purposes of section 3711 of title 31.

(d) A determination by the President under subsection (a)(1) or (c) is final and is not subject to judicial review.
